Town Warrant

STATE OF NEW HAMPSHIRE

(SEAL) To the inhabitants of the Town of Claremont, in the County of Sullivan, in said State, qualified to vote in town affairs: You are hereby notified to meet at the lower assembly room and the room above said assembly room, both in the Town Hall, in said Town, on Tuesday, the tenth day of March next, at eight o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the ensuing year.
2. To elect one Selectman who shall serve for three years.
3. To elect one Sewer Commissioner who shall serve for three years.
4. To choose a committee for Stevens High School for the ensuing year.
5. To choose three members of the Board of Trustees of Fiske Free Library to serve for a term of three years.
6. To see if the Town, instead of electing by ballot one or more Highway Agents, will vote to instruct the Selectmen to appoint an expert Highway Agent, to have the same power and perform the same duties as a Highway Agent, if elected by the Town in accordance with the provisions of Chapter 29, Section 3, of the Laws of 1893, as amended by Laws of 1913, Chapter 13, Section 1. This action to take effect from and after the annual meeting of 1926 and to continue in effect until the Town shall otherwise vote.
7. To see if the Town will choose or appoint a committee of citizens to act as a Committee of Finance, whose duty it shall be to investigate all proposed appropriations, previous to the next town meeting, and report their recommendations at said meeting.
8. To see what sum of money the Town will vote to raise and appropriate to pay Town Officers for the fiscal year ending January 31, 1926.
9. To see what sum of money the Town will vote to raise and appropriate for Incidental Expenses of the Town for the fiscal year ending January 31, 1926.
10. To see what sum of money the Town will vote to raise and appropriate for the repair of Highways and Bridges including State Aid Maintenance and Trunk Line Construction and Maintenance.
11. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the purpose of building new sidewalks and repairing those now in use.
12. To see if the Town will vote to raise and appropriate the sum of \$5,000 to repair the Pleasant and Main Streets pavements.
13. To see if the Town will vote to build a permanent Highway on Washington street, from the present permanent road near the Blanchard residence to meet the State Aid Road near the Junction of Moody Avenue, raise and appropriate \$10,000 therefor.
14. To see if the Town will vote to build a permanent Highway on Main street from Lafayette street westerly and raise and appropriate the sum of \$20,000 therefor, or borrow the same on the credit of the Town.

15. To see if the Town will vote to raise and appropriate the sum of \$2,000 to finish up the cement roadway on North street between Fremont street to Chellis street and for a sidewalk six (6) feet wide on the north side of North street from Elm street to Chellis street.

16. To see what sum of money the Town will vote to raise and appropriate for Sprinkling, Oiling and Cleaning Streets and Highways of the Town for the year ending January 31, 1926.

17. To see what sum of money the Town will vote to raise and appropriate for the support of the Fire Department for the year ending January 31, 1926.

18. To see if the Town will vote to raise and appropriate the sum of \$1,400 to be used in repairs and renewals on the Fire Alarm System and purchase of a thousand (1,000) feet of hose.

19. To see what sum of money the Town will vote to raise and appropriate for the use of Hydrants for the fiscal year ending January 31, 1926.

20. To see what sum of money the Town will vote to raise and appropriate for Street Lighting for the year ending January 31, 1926 and pass any other vote relating thereto.

21. To see if the Town will vote to extend the Water System to a point near the West Claremont Churches and to raise and appropriate a sum not exceeding \$5,000 to defray the expenses thereof.

22. To see if the Town will vote to extend the Water System on Washington street to a point near the Dunsmoor farm.

23. To see if the Town will vote to extend the Water System from Chestnut street to Puckershire across John Alden's bridge and install hydrants and raise and appropriate money therefor.

24. To see if the Town will vote to install a light at the corner of Garden and Melrose streets.

25. To see if the Town will vote to raise and appropriate the sum of \$325.00 for the placing of four (4) lights on Bowker street.

26. To see what sum of money the Town will vote to raise and appropriate for the support of the Town Poor for the fiscal year ending January 31, 1926.

27. To see what sum of money the Town will vote to raise and appropriate to pay the Debts of the Town.

28. To see if the Town will vote to raise and appropriate the sum of \$2,100 to meet payments maturing during the fiscal year on North Street School Building Bonds.

29. To see what sum of money the town will vote to raise and appropriate for the support of Stevens High School for the ensuing year.

30. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the support of Fiske Free Library agreeably to the contract with Andrew Carnegie and Samuel P. Fiske.

31. To see if the Town will raise and appropriate the sum of \$4,500 to make the burials, take care of and beautify the Cemeteries of the Town.

32. To see if the Town will vote to accept the proposal of the Harmon Foundation relative to the purchase of land from F. E. S. Barnes, and the development thereof for playground pur-

poses and to meet the conditions of said proposal, and to appoint Agents and authorize them to sign, execute and deliver in behalf of the Town all papers and instruments necessary to carry out the provisions of said proposal.

33. To see if the Town will vote to raise and appropriate the sum of \$2,000 to be used with a like sum to be furnished by the Harmon Foundation for the purchase of land of F. E. S. Barnes to be used for playground purposes; to name said tract Barnes Park, this to include the tract heretofore conveyed to the Town by said Barnes, and to authorize and instruct the Monadnock Park Commission to lay out and set off a portion of said land of not less than two acres for a base ball field and to name same Harmon Field.

34. To see what sum of money the Town will vote to raise and appropriate for the maintenance and development of Barnes Park and to commit the supervision, maintenance and development of said Barnes Park to the committee now known as Monadnock Park Commission.

35. To see if the Town will vote to change the name of the Monadnock Park Commission to Claremont Playground Commission and to increase the number of members thereof to nine.

36. To see if the Town will vote to discontinue that part of the Highway known as Eastman street lying between Fremont and Elm streets.

37. To see what sum of money the Town will vote to raise and appropriate for the Maintenance and Development of Monadnock Park.

38. To see if the Town will accept from E. B. Osgood, a parcel of land 40x70 feet to be used as a Common in the fork of the road at the junction of Chase, South and Chestnut streets.

39. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the maintenance and development of Moody Park

40. To see what sum the Town will vote to raise and appropriate in Aid of the Claremont General Hospital.

41. To see if the Town will raise and appropriate the sum of \$500 for repairs and painting the Town Building and \$650 for painting the Central Fire Station.

42. To see if the Town will raise and appropriate the sum of \$1,200, the same to be used to procure an entirely new fancy interior setting and make the necessary changes and repairs on the balance of the scenery of the Opera House.

43. To see if the Town will vote to raise and appropriate the sum of \$1,000 to carry on the work of the District Nurse Health Department.

44. To see what action the Town will take in regard to the report of the Board of Sewer Commissioners.

45. To see if the Town will vote to put in a sewerage system or any part thereof in accordance with the report of the Board of Sewer Commissioners.

46. To see what sum of money the Town will vote to raise and appropriate or authorize the Selectmen to borrow on the credit of the Town for the purpose of carrying out the provisions of the preceding article and determine the manner in which the same shall be paid.

47. To see if the Town will vote to raise and appropriate the

sum of \$500 for Milk Inspection.

48. To see if the Town will vote to raise and appropriate the sum of \$400 to be expended in co-operation with the State Department of Forestry in continuing the White Pine Blister Rust Eradication Work.

49. To see what action the Town will take in regard to the collection of garbage and refuse and raise and appropriate money therefor.

50. To see what sum of money the Town will vote to raise and appropriate for Memorial Day.

51. To see what sum of money the Town will vote to raise and appropriate for Band Concerts by the American Band for the ensuing year.

52. To see if the Town will vote to install Public Toilets in basement of Town Hall with outside entrance, and raise and appropriate the sum of \$2,500 therefor.

53. To see if the Town will vote to raise and appropriate sufficient money to provide suitable quarters for the Public Town Nurses and a Public Rest Room.

54. To see if the Town will vote to raise the pay of the Officers of the Police Department.

55. To see if the Town will vote to increase the pay of the Assessors from \$4.00 to \$5.00 per day.

56. To determine the rate of discount the Town will allow persons paying their taxes within such period as the Town may designate.

57. To see if the Town will vote to ask the Trustees of the Library to keep the reading room open Sunday afternoons.

58. To see if the Town will vote to discontinue the watering trough in the Square at the Lower Village.

59. That the Town of Claremont's Books be audited from 1919 to 1924 inclusive by a Certified Public Accountant, coming from out of town; work to be started within sixty days and a public report to be made as soon as work is completed. Cost of same to be paid by the Town of Claremont, same to be raised and appropriated.

60. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-first day of February, Nineteen Hundred and Twenty-five.

A. L. FITCH,
E. C. HOISINGTON,
JOHN BRANCH,

Selectmen of Claremont

		\$ 1,401 64
		\$ 5,310 37

Total receipts of the Town Building for the year ending Jan. 31, 1925 \$ 3,334 50

The Opera House has been used six times and the Lower Hall thirteen, from which no rentals were received, had the regular rates been charged, it would have amounted to 365 00

Placing the rental of the two offices at \$175 00 each 350 00

And the Basement for storage at 150 00

It would give the Town Building an earning power of 4,199 50

NOTE:—An itemized list of the rentals is on file at the Selectmen's Room and can be seen at any time.

NOTE:—The schedule of rentals for the Town Building were revised upward on April 15th, 1924 to take care of a portion of the increased cost of operation.

Paid Town Treasurer Balance on Hand		1,336 14
Total Expenditures		\$67,008 40

RAY E. TENNEY, Treasurer

SUPERINTENDENT'S REPORT

From January 1, 1924 to December 31, 1924

Main Pipes have been extended during the year
as follows:—

- In Bank St., 128 ft. of 6" Iron Pipe
- In Bank St., 340 ft. of 1¼" Iron Pipe
- In Barnes Place, 64 ft. of 2" Iron Pipe
- In Bowker St., 590 ft. of 6" Iron Pipe
- In Beauregard St., 577 ft. of 2" Iron Pipe
- In Clark St., 111 ft. of 1½" Iron Pipe
- In Congress St., 379 ft. of 2" Iron Pipe

In Donald St., 127 ft. of 2" Iron Pipe
 In Donald St., 107 ft. of 1½" Iron Pipe
 In East Jct. Road, 294 ft. of 1½" Iron Pipe
 In Junction Road 460 ft. of 8" Iron Pipe
 In Junction Road, 1160 ft. of 6" Iron Pipe
 In Lawton St., 92 ft. of 1¼" Iron Pipe
 In Main St., 9425 ft. of 10" Iron Pipe
 In Main St., 275 ft. of 6" Iron Pipe
 In Mulberry St., 56 ft. of 6" Iron Pipe
 In Potvin St., 235 ft. of 8" Iron Pipe
 In Potvin St., 256 ft. of 2" Iron Pipe
 In South St., 45 ft. of 6" Iron Pipe
 In Warren St., 265 ft. of 2" Iron Pipe
 In Warren St., 148 ft. of 1½" Iron Pipe

Total number of feet of Main Pipes extended during the year—15,134.

Main Pipes have been relaid during the Year as follows:

In Main St., 1388 ft. of 10" Pipe to replace 1388 ft. of 4".
 In Mulberry St., 732 ft. of 6" Pipe to replace 732 ft. of 2".
 Number of feet of Main Pipes relaid during the year 2120
 Total number of feet of Main Pipes laid during the year 17,254.

The number of feet of Main Pipes December 31, 1924 are as follows:—

267 ft. of 24" Cement
 8217 ft. of 12" Cement
 6957 ft. of 8" Cement
 13010 ft. of 6" Cement
 10020 ft. of 4" Cement
 7034 ft. of 20" Iron
 444 ft. of 16" Iron
 5756 ft. of 12" Iron
 26353 ft. of 10" Iron
 15841 ft. of 8" Iron
 39986 ft. of 6" Iron
 6683 ft. of 4" Iron

23721 ft. of 2" Iron	
13638 ft. of 1½" Iron	
5170 ft. of 1¼" Iron	
1706 ft. of 1" Iron	
Number of feet of Cement Pipes	38,471
Number of feet of Iron Pipes	146,332
Total number of ft. of Main Pipes	184,803
Equal to 35 Miles and 3 Feet.	

Street Gates Set during the Year as Follows:—

In Bank Street 1-6"	
In Bowker Street 1-6"	
In Beauregard Street 1-2"	
In Congress Street 1-2"	
In East Jct. Road 1-1½"	
In Junction Road 1-8"	
In Junction Road 2-6"	
In Main Street 8-10"	
In Main Street 1-6"	
In Mulberry Street 2-6"	
In Potvin Street 1-8"	
In Potvin Street 1-2"	
In Warren Street 1-2"	

Number of Street Gates set during the year 22

Street Gates removed during the Year as follows:—

In Main Street 1-4"	
In Mulberry Street 1-2"	

Number of Street Gates removed during the year	2
Total number of Street Gates December 31, 1924	389
Number of Blowoff Gates added during the Year	2
Number of Blowoff Gates removed during the Year	1
Total number of Blowoff Gates Dec. 31, 1924	17
Number of Public Hydrants added during the Year	14
Total number of Public Hydrants, Dec. 31, 1924	123
Number of Private Hydrants added during the Year	5
Total number of Private Hydrants, Dec. 31, 1924	40

Total number of Hydrants, Dec. 31, 1924	163
Number of Services added during the Year	62
Total number of Services Dec. 31, 1924	1556
Number of Services relaid during the Year	42
Number of Meters added during the Year	17
Total number of Meters Dec. 31, 1924	1102
Number of Leaks in Main Pipes during the Year	0

The total cost of laying the Water Main from West Terrace Street to Densmore's store at West Claremont, including all Gates and Hydrants connected directly thereto, was \$41,812.55; of this amount \$33,346.80 was paid out of the Town Treasury, and \$8,465.75 was paid from Water Works' earnings.

The total cost of extending the Water Main in Mulberry Street to the foot of Bible Hill, and setting a hydrant thereon, was \$1,421.77; of this amount \$1000.00 was paid from the Town Treasury, and \$421.77 was paid from Water Works earnings.

123,530,025 gallons of water was taken from the White Water Brook supply from November 21, 1923 to December 31, 1924.

RAY E. TENNEY, Treasurer

Monadnock Park Commission

MONADNOCK PARK

To the Citizens of Claremont, N. H.:

We submit herewith a report covering the maintenance and development of Monadnock Park during the past year.

No conspicuous additions to the park equipment have been made; but all activities previously carried on have been kept in operation.

The children's corner was under the direction of Miss Marguerite Slawson, a trained playground supervisor, with several years experience in this kind of work.

An average of 138 children a day attended the play corner making use of the swings, rings, see-saws, merry-go-round and slide, as well as the tennis courts.

Two croquet tournaments were held; also a tennis tournament for the older boys, a two-year cup being offered by a group of people who are interested in promoting tennis.

Outdoor basketball was also popular with both the girls and boys, and instruction was given in the proper method of play.

During the warm part of the day most of the children were in the playhouse, either making baskets or story telling. This was the first year that basket making has been tried out here and a great deal of enthusiasm was aroused amongst the children. A total of 98 baskets of all sizes and designs were made in about six weeks.

Many of the youngsters, both boys and girls, made use of the showers under the grandstand, averaging about 30 a day in the warm weather.

Saturday, August 30th, coming near the end of vacation, was the big day for the children. A pageant of play was put on by groups from both Monadnock Park and Barnes Playground, with many of the parents in attendance. About 200 of these youngsters marched in a body from the North side dressed in gay regalia, mostly of colored paper, and headed by a band consisting mainly of pots and pans.

The tennis courts, ball field, shower baths and rifle range continue to be actively engaged, and the skating rink has been a greater attraction than ever this year.

The park itself is gradually assuming a more finished appearance, by the addition of shrubbery, trees, and walks; although there is still a great deal which can be done.

ALBERT B. KELLOGG, Treasurer

BARNES PLAYGROUND

We submit herewith a report of the activities conducted on the Barnes Playground during the past year.

A combination summer house and comfort station with separate toilet rooms was installed.

A bubbler drinking fountain was also added, together with a set of swings and see-saws. Travelling rings should be added this year and a slide for the younger children, also baby swings.

The present park is confined to one acre, scarcely enough even for a children's corner; but through the generosity of Mr. Barnes a portion of the open ground adjoining was used for baseball, and was in great demand by the older boys and men.

The children's corner was in charge of Miss Esther Perry for eleven weeks during the summer months and good progress was made in organizing the youngsters for group play. During July and August 118 children journeyed to Monadnock Park to make use of the showers. These trips were made under Miss Perry's supervision.

Great interest was displayed in preparation for a parade to Monadnock Park on Saturday, August 30th. About 200 children took part, dressed in colored paper uniforms, and a tin pan band. The occasion marked the closing of the vacation season, and a "Pageant of Play" was put on jointly by groups from both parks.

In eleven weeks more than 7,000 children took advantage of the few facilities which Barnes Playground now boasts.

There are several articles in the warrant relating to this park, and it is hoped that these will receive your favorable consideration.

REPORT OF LIBRARY TRUSTEES

The present library building was opened twenty years ago last November.

The records show a steady increase in the circulation of books, 2200 more being circulated in 1924 than in 1923, the largest it had ever been up to that time.

During the past year the enlargement of the stack room has been completed and the room equipped which has added greatly to the attractiveness and convenience of the library.

Another added feature is the collection of historical objects in a room that has been fitted up under the stack room where will be found many things of interest and value connected with the local history of the town.

The work of the librarian and her assistants naturally increases with the growth and usefulness of the library and we should have at least five thousand dollars this year with which to carry on the work and procure the books and magazines needed.

Gifts as in previous years have been many and valued, showing the continued interest of the people in the library and the trustees in behalf of the town, wish to express their appreciation to the givers.

Special mention should be made of the gift of \$500 by Miss Partridge toward the equipment of the historical room and also another gift of \$500 by Mr. George B. Upham for the same general purpose.

The following are the names of others whose gifts are greatly appreciated. If any name is omitted it is due to inadvertence and not to lack of appreciation of the gift.

Mr. Irving Chellis Story, Miss C. Isabel Dutton, Mrs. Fred Jardine, Mr. Charles L. White, Mrs. Charles L. White, Mr. John W. Dow, The Massachusetts Society for Humane Education, Mrs. F. P. Vogl, Mr. J. L. Farwell, Miss Asunta Barucci, Miss Elizabeth Macduff, Mr. Darwin Comings, Mrs. Byron Livingston, Mrs. Clifton Densmore, Rev. A. C. Ferrin, Mr. A. J. Boucher, Mrs. Ella Dustin Howe, Mr. H. N. Hurd, Mr. H. G. Rugg, (Hanover), Mr. Edwin Tolles, Mrs. Dana Martin, Claremont Music Club, Mrs. H. C. Sanders, Jr., Mrs. Helen Dean Jones, Mr. Addin Gaffney, Maurice Menard, Miss Minnie Fuller, Miss Marjorie Schnyer, Mr. Gawin Gilmore, Mr. and Mrs. H. R. Morgan, Mrs. Wallace Taylor, Mr. H. C. Bunnelle, Mr. Willis Coburn, Miss Rosanna Foisy, Mr. Albert Kellogg, Mrs. Cora Dunsmoor Lawrence, Mrs. Austin Tyler, Miss M. E. Partridge, Miss S. G. Gilmore, Mr. G. B. Upham, Mrs. Charles R. Freeman, Mrs. S. R. Putnam, Mrs. Agnes Hodgson Thompson, (Stamford, Ct.), Mr. E. B. Osgood, Mr. A. M. Pierce, Mrs. Abby J. Edson, Mrs. John F. Butler and Mrs. M. S. Ide.

TRUSTEES OF FISKE FREE LIBRARY

IRA G. COLBY, Secretary

Chief Engineer's Report

One hundred and twenty still alarms and twenty bell alarms have been recorded during the twelve months ending January 31, 1925. This number is 31 less than that number recorded in the previous year, although the bell alarms number four more. The prompt discovery of many of the fires and the cooperation of the telephone operators in the handling of the alarms has enabled the department to minimize the fire loss for the year. The bell alarms were as follows:

1924:

- Feb. 23—Box 14, 6:30 a. m., L. P. Luzo house, Broad street.
- Mar. 27—Box 13, 4:15 p. m., J. P. Goddard Block, Pleasant street.
- Apr. 1—Box 49, 11:00 a. m., Grass Fire, J. H. Giguere, Timson street.
- Apr. 6—Box 55, 3:15 a. m., Rubbish Fire, Rand, Ball & King Co., coal yards, Mulberry street.
- May 14—Box 36, 9:10 p. m., Clayton Parent barn, Eastman street.
- July 4—Box 49, 11:00 p. m., L. M. Colivas dance pavilion, Pine Grove Park, Maple avenue.
- July 20—Box 14, 1:15 a. m., Louis Provencher Block, North street.
- July 30—Box 22, 11:55 p. m., H. W. Frost barn, River street.
- Aug. 3—Box 28, 5:20 a. m., Crossed Wires, School street.
- Aug. 5—Box 13, 3:05 a. m., Heywood Block, Broad street.

Aug. 14—Box 22, 8:05 p. m., Peter Coutermanche Block, Main street

Aug. 23—Box 13, 11:05 p. m., R. A. Quimby Block, Tremont street.

Aug. 25—Box 44, 1:15 p. m., Daniel Canty Barn, Claremont Junction.

Nov. 20—Box 8, 6:55 p. m., R. W. Kiniry Barn, Charles-town Road.

Dec. 14—Box 32, 2:15 a. m., Claremont Lumber Company Saw Mill, Washington street.

Dec. 31—Box 14, 1:20 p. m., Thomas Sears Block, North street.

1925:

Jan. 21—Box 47, 9:30 a. m., Charles Muzeral House, North street.

Jan. 22—Box 34, 4:15 p. m., Joseph Goulette Barn, Main street.

Jan. 22—Box 49, 4:45 p. m., Joseph Manning House, Maple avenue.

Jan. 23—Box 22, 10:10 p. m., John Groobinski Block, Main street.

The majority of still alarms this year were for chimney fires, caused by soot-filled chimneys or failure or neglect to properly clean the flues.

This report does not include brush and woodland fires, which may be found under the State Forestry Commission Agent's report.

HYDRANTS

A total of fourteen new hydrants have been installed during the past year, one at the foot of Bible Hill, one on Cottage street and the remaining twelve were installed on the new extension on the West Claremont line.

FIRE ALARM SYSTEM

No new improvements have been made in the system during the past year, but several hundred feet of new wire has been used in replacements on old lines, and the system has been kept in good working order. This year new elements for the battery room will be needed.

RECOMMENDATIONS

I would recommend that the town purchase at least 1000 feet of new hose to replace many lengths which have given out during the past year. I further recommend that the Central Fire Station shall be repainted as this has not been done since the completion of the building in 1917. I further recommend that the town purchase new elements, such as, batteries, jars, acid, etc., for the battery room, as at the time of installing the battery room the engineer in charge of the work stated that the elements should be replaced every four years and the present elements have been in use for the past five years.

REMARKS

During the past year the four horses have been transferred from the Fire Station to the barn, which was built last year, and this step has given the much needed room on the apparatus floor of the station and it has further more greatly improved the sanitary conditions of the station, in which the truck drivers make their home. The completion of the pipe line on the West Claremont road, on which twelve new hydrants have been installed, has proven a valuable assistance to the Department and has already been the means of saving many dollars worth of property.

The Fire Department has been able to maintain its present state of efficiency only through the hearty co-operation of every man in the department and of the citizens of Claremont and I am deeply appreciative of this gratifying cooperation.

C. E. SEARS, Chief Engineer

Report of Chief of Police

To the Board of Selectmen of the Town of Claremont:

I herewith submit my second annual report of the work performed by the members of the Police Department for the year ending January 31, 1924:

The number of arrests made during the year were 251, as follows:—

Drunkenness	146
Forgery	3
Cruelty to animals	2
Keeping liquor for sale	27
Transporting liquor	1
Manufacturing liquor	2
Larceny	8
Bastardy	2
Breaking and entering	1
Violation of the traffic rule	4
Non-support	1
Operating automobiles under the influence of liquor	14
Violation of the automobile law	6
Interfering with an officer	1
Assisting out-of-town officers	6
Assault and battery	11
Keeping an unlicensed dog	1
Being a disorderly person	4
Being a common street walker	1
Manslaughter	1
Picking berries on posted ground	1
Keeping a disorderly house	1
Non-payment of board bill	1

Adultery	2
Refusing to give name to tax collector	2
Taking part in a brawl	2

Complaints were disposed of as follows:

*Paid fine and costs	159
Committed to the County Farm	13
Bound over to Superior Court	4
Committed to the Industrial School	2
Appealed to the Superior Court	8
Discharged by Court	16
Prisoners for out-of-town officers	6
Paid costs and fines suspended	18
Released by Chief of Police	4
Given time to pay fine	15
Fine and costs suspended	5
Placed on probation	1
*Suspended sentence imposed in addition to fine and cost	36

Respectfully submitted,

GRANT H. FARWELL, Chief of Police

Claremont Municipal Court

In Account With the Town of Claremont
For the Year 1924-1925

Receipts as per quarterly accounts	\$6,620 58
------------------------------------	------------

EXPENDITURES

Interpretors	\$ 19 00

		\$4,033 85
Paid Selectmen		\$2,586 73
		\$ 6,620 58

Report of Health Officer

To the Board of Selectmen:

I herewith submit the following report of the Public Health Department in the Town of Claremont, for the year ending January 31, 1924:

Contagious diseases were reported as follows:

Chicken Pox	7
Diphtheria	45
Infantile Paralysis	2
Measles	7
Mumps	1
Pneumonia	1
Scarlet Fever	15
Small Pox	1
Tuberculosis	31
Typhoid Fever	1
Venereal Diseases	14
Whooping Cough	3

Twelve tuberculosis removals were reported to the Board as required by law.

Eighty-two rooms and apartments were disinfected during the year.

SANITARY INSPECTION

The work of this department has been given careful attention and the following complaints were received and investigation made.

Cesspools	15
-----------	----

Dead Animals	11
Defective Drains	6
Dumping Rubbish	21
Garbage	10
Pig Sties	5
Privies	7
Unsanitary Toilets	4
Unsanitary Barns	2
Unsanitary Display of Food	6

Inspection of food products for sale and the sanitary condition of markets, bakeries, restaurants, hotels, grocery, fruit, and drug stores was made at various times during the year. Conditions were found in most cases to be satisfactory so far as complying with the Pure Food Laws.

Quarterly inspections of water from the Tyler and Grannis systems have been made and samples submitted to the State Laboratory for analysis, from which satisfactory reports were returned in every test.

Respectfully submitted,

WILLIAM P. PRESCOTT,

Health Officer

Report of Milk Inspector

During the past year the cattle supplying milk and cream to the Town of Claremont have been tuberculin tested under State and Federal regulations. The gratifying result being, that this year we had less than one-half of one per cent reactors, compared with twenty per cent the first year the test was applied. All cattle have been given thorough physical examination to make sure that udders were safe, barns been inspected, milk licenses issued, regular visits made to stores and milk rooms. Samples of milk sent to State Laboratory of Hygiene at Concord, and all complaints taken care of to the best of my ability.

Work is under way to establish a central milk distributing plant and will probably materialize during the coming year.

The Health Officer and Milk Inspector have adopted the State Department of Health and State Department of Agriculture barn card system to be used this year, by which careful record of all barns, cattle, milk, houses and utensils can be kept, and one copy will be given to owner, one kept by milk inspector, so that any one who wishes can know just the condition of his milk supply.

No contagious diseases have been traced to the milk supply during the past year. When contagion was found on any milk route all bottles and utensils have been thoroughly boiled and continued to be boiled daily until quarantine was lifted.

Arrangements have been made whereby milk has

been delivered to the schools of Claremont in half pint bottles and that supply is particularly watched by the Milk Inspector.

If any consumers of milk have any complaints about condition or quality of milk used in Claremont, it would be greatly appreciated by the Milk Inspector if reported immediately.

Respectfully submitted,

L. R. HAUBRICH, M.D.V.

Milk Inspector

State Forester's Report

CONTROL OF WHITE PINE BLISTER RUST

The following financial statement indicates the necessary expenditures involved in this work.

1924 Town appropriation	\$400 00	
State Aid	100 00	
Total available	<u> </u>	\$ 500 00
Crew wages	\$493 59	
Expenses	8 20	
Total expended	<u> </u>	\$ 501 79
Overdraft		\$ 1 79
Area covered		3,644 acres
Average cost per acre		\$0 137
Currant and gooseberry bushes destroyed		16,892
Pine infection		42

The Department believes that the tax-payers of your town will be interested in this review, inasmuch as the widespread interest in Blister Rust Control strongly substantiates the judgment of your townspeople regarding the seriousness of the Rust and the necessity for its control.

From 1918 to the present date 167 towns and cities have financially cooperated in the destruction of currant and gooseberry bushes. Individuals, associations and firms in the number of 464 have paid nearly \$30,000 for control work on their land. The combined results of all this activity has brought about the removal of 16,258,-

443 currant and gooseberry bushes over an area of 1,360,-312 acres.

It is quite evident to anyone well informed regarding the history of this state that the white pine industry has played a conspicuous part in its general welfare. This valuable tree should continue to contribute in a large measure towards the welfare of individuals, towns and state. In order that this may come to pass, it is necessary that energetic measures be continued which will result in its protection from the Blister Rust.

N. H. FORESTRY DEPARTMENT

by John H. Foster, State Forester

Report of Sewer Commissioners

HIRA R. BECKWITH,
WILLIAM P. SWEENEY,
HARRY T. EATON,

Sewer Commissioners, Claremont, N. H.

Gentlemen:—

I have at your request examined the situation with relation to sewerage at Claremont, especially in regard to bringing the plans, studies and estimates made by me in 1903 up to present date and conditions. The results of this examination is presented in the following report and revised plans.

ENLARGEMENT OF REPORT OF 1903

The plan presented in 1903 was designed in the Main Sewers and outfall to provide for a future growth of the town to a population of 20,000. Since 1903 the town has increased from 7,000 to 10,000 inhabitants, or about 43 per cent in 20 years. At this rate of growth the population in the next 20 years might reach 15,000. It seems therefore that the 1903 plan as regards sizes of outfall and mains is amply sufficient to take care of any increase for another 20 years and it would be not necessary to increase the sizes for present conditions. If the future should demand a larger outfall sewer, it would be economy to wait until such time and then lay a separate sewer, rather than at this time burden the town with the expense of too large a main outfall line under such conditions.

The present study therefore has been confined to the

growth of the town in new streets and buildings and providing for drainage for such new territory and requirements.

The large map made in 1903 has been brought up to the present conditions as regards to streets, with sewer locations and sizes indicated for such additions as were necessary. The result is a sewer plan brought up to 1924. In the design of the new sewers as before the probabilities of future extensions has been carefully considered and the sizes made to correspond.

A separate plan showing the town center only with the sewers as redesigned has also been made for convenience in handling. The larger map embracing, as it does the outfall through West Claremont to the Connecticut River is rather large to use and intended as a wall map. The separate plan can be used for all purposes as the larger one except for the outfall sewer line.

The first plan of 1903 recommended the construction of about 8.35 miles exclusive of the outfall sewer. With the added streets now built up this length has increased to 10.91 miles or 2.56 miles more. The total system designed in 1903 was 20.95 miles while that shown on this 1924 revision includes 23.38 miles.

Any sewerage system in a growing community will show extensions and additions necessary to meet the added population.

ESTIMATES OF COST

In the matter of estimates, the large increase of cost in the material and labor between 1903 and 1924 is plainly apparent. Since the war period from 1914 all prices have greatly increased. The ratio is about 240 per cent. With present conditions and especially the cutting off of foreign labor by our immigration laws the present prices cannot be expected to decline greatly. The demand for

labor is great and the supply limited. Building operations are to be active for some time to come and we cannot expect much reduction in costs.

The figures for the 8.35 miles in 1903 and including the outfall main were \$125,000—Today the same work would cost about \$300,000. The cost of immediate construction which is shown in this report and including the outfall main is \$400,000. This of course includes the additional 2.56 miles of sewers or about one-third greater length than the 1903 recommendations.

The estimates for present costs are shown in tables by streets similar to those in 1903. The total cost of the entire system of 23.38 miles is today estimated at \$655,417.90.

FINANCIAL METHODS

The financial question of a Sewerage System is of course important to the tax payers. If \$400,000 is to be spent in installing a substantial sewerage system, the monies must be borrowed on the bonds or notes of the town. The effect on the tax rate is the immediate inquiry of the tax payers. In 1903 the valuation of the town was \$3,500,000. In 1923 this valuation had increased to \$17,055,610. This means that every \$1000 raised by taxation increases the rate today a little less than 6 cents. To borrow \$400,000 on a serial issue of 20 years would mean paying off \$20,000 each year or a tax rate on principal of \$1.20 per \$1000. Such bonds would sell probably a little above par at $4\frac{1}{2}$ per cent interest. The first years interest would amount to \$18,000 averaging \$9000 for the 20 years as the bonds were retired. This would add \$1.08 per \$1000 the first year and average \$0.54 per \$1000 for the series. The total tax would therefore be from \$2.28 the first year to \$1.74 for the average per \$1000 valuation. Each tax payer can therefore apply this to his own case.

The question of Sewer Assessments or annual charges is important. Almost every locality which introduces sewers provides some method of placing a greater burden in the shape of an assessment, betterment or charge on the property owner who can derive a direct benefit by use. A common method is to assess one half the cost on abutters in installments thus cutting the tax levy in half. Such a method if assessed on the front foot would bring a special tax on the property owner of approximately \$1.00 per foot on a one-half basis. Thus if the property owner had 100 feet frontage on a sewered street, his special tax would be \$100. This is usually divided into installments of ten years or \$10 annually. The other half comes on the direct tax levy. A property owner building a new residence may easily put such an amount into a cesspool and the cost of maintenance and clearing may amount to more than his annual payment on the installment plan of payment.

Another method of payment is an annual charge or rate for sewer service like a water rate and bases on water used. While this involves some bookkeeping, if handled with the water rates need not entail much expense. This rate can be adjusted to equal the cost of meeting the sewer expenses of maintenance and fixed charges so that the tax rate need be only slightly affected.

It is for your town to determine just what method they think best to pursue in meeting the annual cost of the Sewerage System. Some method however which shifts the burden so that those most benefitted pay the most is desirable. In individual cases it can I think be shown that an actual economy can be had to the property owner who uses the sewer.

SEWERAGE A NECESSITY

The health question is an extremely important item in any community and closely connected with the proper

sewerage. You cannot measure the value in dollars and cents. So long as our modern civilization closely groups people in compactly occupied areas, it will be necessary to provide means for disposal of the waste products of animate life. Neglect to do this brings the natural results of disease and death. It is fully as important to any municipality for its well being to protect its health as any other question which may come before it. The financial phase of the question should not obscure the value of protection against disease and death from inadequate disposal of decomposing wastes.

PRIVATE SEWERS

There are several private sewers in existence, some having been a long time. The value of these to incorporate in the town system is doubtful. A detailed study of these must be made before any statement of their actual value can be made. The present estimates do not take into consideration the utilization of any of these private sewers.

SUMMARY

This report may be summarized as follows:

The growth of the town from 1903 to date has added about 3000 to population and increased the valuation from \$3,500,000 to \$17,000,000. This growth has increased the size of territory requiring sewers so that 10.91 miles of sewers seems to be needed. The large increase of prices in the last 20 years makes the cost of construction over double what it was in 1903. The estimate of cost of the 10.91 miles of sewers and the outfall main to West Claremont is now \$400,000. The total system as shown on revised plans covers 23.38 miles of sewers and a total estimate of \$655,417.90.

RECOMMENDATIONS

Legislation is needed as pointed out in the 1903 report to enable the town to finance the sewers. The town should petition the legislative for an enactment granting the town authority to incur indebtedness for sewers.

A town meeting should be held to determine if the town will vote to petition for such enabling act and appoint a committee to have it in charge or delegate the Sewer Commissioners to do so.

Such an act would come before the town on a referendum for acceptance and at such meeting the town could also take action regarding immediate construction if desired. At the same meeting or subsequently the town could also take action relative to the method to be adopted on Sewer Assessments or rentals. It seems best to leave these details until the town by definite action indicates its purpose to proceed with sewer construction. Should it be desirable to work out a definite plan I would be pleased to assist you at the proper time.

Respectfully submitted,

E. WORTHINGTON, Civil Engineer
Dedham, Dec. 27, 1924.

Auditors' Statement

We, the undersigned, Auditors of the Town of Claremont, have examined the foregoing accounts of the Selectmen, Town Treasurer, Highway Agent, Overseer of the Poor, Town Clerk, Treasurer of the High School Committee, the Financial Agent of the Fiske Free Library, Collector of Taxes the Superintendent of the Claremont Water Works, The Trustees of the Stevens and Healy Funds, the Manager of the Opera House, Treasurer of the School Board of the Town, the Trustees of the Town Trust Funds, the Cemetery Commission, Monadnock Park Committee, Moody Park, and find the same correct with proper vouchers.
